

## Vitamins and Herbals

**Times are changing, and the needs of our customers are changing too.** The fastest growing segment of our pharmacy involves the treatment of illness using alternative medicines such as herbs, homeopathy, nutritional supplements, and vitamins & minerals. This fast and ever-changing market is both a rekindling of the old pharmacopoeia and a look into the future of medicine. As research of the benefits of herbal and nutritional medicine grows, our commitment to providing proven remedies strengthens. As always, we welcome your questions and comments on the vitamins and herbs we sell. If you have any questions about herbals remedies combined with your prescription medications, please consult your doctor or pharmacist.
